AMENDMENT AND RESPONSE

GROUP 3600

Sir:

This is in response to the outstanding office action dated September 10, 2003 in which the examiner withdrew claims 9-47 as being directed to other inventions, rejected claims 1-5 under 35 U.S.C. § 102 as being anticipated by Wilde (U.S. Patent 5,431,368), and objected to claims 6-8 indicating allowable subject matter.

Claim 2 is cancelled, claims 1, 3, 5-6, and 8 are currently amended, and claims 4 and 7 remain as dependent upon the respective currently amended claims 1 and 6.

Applicant's Claims, Independent Claims Fee, and Remarks

Applicant's amended claims and remarks follow on separate pages as required in the new amendment format. The attached check for \$86.00 is in payment of the additional two (2) new independent claims.
